BRIEF ABSTRACT OF LETTER.

Forwards letter no. 3013 of the 5 Mar 1913, addressed to this office by the Registrar, Chief Court, together with the proposition statement referred therein, on a/c of revising the estt. of the Munsiffs' Court at Trincomalee, duly verified, and states the financial effect of the proposal.

NOTES AND ORDERS.

The revision in the Estt. proposed consists of an increase ~~to~~ in the pay of the Head Munshi from Rs 35 to Rs 40/- and the addition of three hands to the clerical estt. - one each on Rs 20, 17½ and 15. The financial effect of the proposal is stated to be an increase to the

recurring expenditure of Rs 690/- per annum.

2 At present there are ten hands in the Court inclusive of the apprentice clerk. From the comparative statement of work turned out, it is seen that the work in the Munsiff's Court at Trichur has not only increased year after year, but is also more than that turned out in any of the other 1st class Courts, and that the clerical strength of this Court is less than that of any other Court of the same class except Shimoga. The Head Munshi of every other Court of this class draws a pay of Rs 40/- whereas the Head Munshi of this Court is paid Rs 35/-.

3 It is not known whether, with this increase in work, there is also an increase in the total income of the Court.

4 Br II will be consulted if the proposal meets with favour in the administrative aspect. It is stated by the Chief Court that necessary provision would be made in the budget for the next official year as the sanction is recommended to be sanctioned with effect

Dated 3rd March 1913.

From

The Registrar of the
Chief Court of Mysore.

To

The Secretary to Government,
General and Revenue Departments.

Thro' The Comptroller in Mysore.

Sir,

The District Judge of Bangalore has brought to the notice of this Court that the file of the court of the Munsiff of Tumkur has been steadily increasing and that its rise has been so very rapid during the last three years that the number of institutions (both as regards original suits and small causes) has doubled itself. He adds that as a result of this increase a large amount of additional work has been thrown on the office establishment which, with its present strength, is unable to cope with it efficiently.

Further, in the opinion of the District Judge, this growth of work will be progressive since the values of lands are increasing owing to the steady rises in the prices of food stuffs and other agricultural produce. The District Judge also refers to another circumstance as tending to increase litigation in the Munsiff's Court of Tumkur, and that is, that large areas of heavily assessed garden lands, especially in Chickanayakanhalli which were abandoned after the famine of 1876-77, are now being rapidly brought under cultivation owing to the abolition of the Sayer duty on arecanut.

A reference to the comparative statement enclosed will show that the work in this Munsiff's Court is now heavier than in the other first class courts in the State, and the Judges of the Chief Court are therefore of opinion that an increase to the present establishment is absolutely necessary to enable the court to cope with the increased work.

Under these circumstances, I am directed to forward a

proposition

proposition statement involving an extra cost of Rs.57½ per mensem as follows : - the pay of the Head Munshi to be increased by Rs. 5/- and three new hands to be entertained, one Munshi on Rs. 20/-, one Clerk on Rs. 17½ and one Gumastah on Rs. 15/-; and I am to request that the Government may be pleased to accord their sanction to it with effect from 1st July next. Necessary provision for the increase will be made in the Budget for the next official year.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.
